

## Chesed Community Card Sale

Our Shir Shalom Chesed Community has been sending out beautiful cards to our members for various occasions; you may have even received one. The artwork is the creation of artist Diane Egger-Bovet, spouse of Shir Shalom member Howard Egger-Bovet. Diane's been consulting and teaching art for 20 years through Sonoma schools and the Sonoma Valley Museum of Art.

The Chesed Community have the cards available for purchase; the proceeds will sustain the future purchase and continued use of these cards by the group. They're packaged as 6 blank cards and envelopes (2 of each design) for \$18.
