Congregation Shir Shalom is very fortunate to have the support, generosity and commitment of its membership. Membership dues account for 35% of our budget. The balance is covered by contributions from all of us. Over the last several years we have absorbed increased costs and this year you will see a moderate increase in dues, though operation costs have increased dramatically. We hope you will agree with the Board that these ever-increasing costs make it necessary for us to raise dues levels.

This moderate increase should not keep anyone from joining or renewing membership because, as always no one is turned away from CSS for financial reasons. One call to Amy Rassen, our treasurer, at 415-652-4533, will enable an adjustment to your dues for 23/24, which begins July 1st. *Your contact with Amy and the amount you pay is strictly confidential.*

Thank you for your participation and for being part of the CSS family!
